BEALS WRIGHT HAS LITTLE TROUBLE WITH COAST CRACK

Newport, R. I., Aug. 22.—Playing in splendid form, Beals C. Wright of Boston today defeated Maurice E. McLoughlin of California in straight sets in the sixth round of the all-coverage lawn tennis tournament for the national championship on the Casino courts here. McLoughlin found the former champion's strokes invincible, and was able to win but eight games.

Previous to the match the outcome had been considered decidedly in doubt owing to McLoughlin's strong showing in the previous rounds, and his defeat of Wright at the Longwood tourney earlier in the year.

McLoughlin did not begin to display the form expected, and at no time was a menace to Wright's success. Wright prevented McLoughlin from playing near the net, and the drives which the young Californian sent into the net were in themselves sufficient to bring about his own defeat.

E. M. Whitney, the interscholastic champion, defeated C. E. Cutting in straight sets, and tomorrow will meet

Wright in the semi-finals. F. C. Colston, who today disposed of Dean Mathew after three hard sets, will have for an opponent tomorrow T. C. Bundy, one of the Pacific coast cracks, who today defeated W. B. Cragin, Jr., in four sets.

The Summary.
All-comers singles, sixth round: Beals C. Wright defeated Maurice E. McLoughlin, 6-3, 6-3, 6-2.
E. H. Whitney defeated E. Cutting, 6-2, 6-3, 7-5.
F. C. Colston defeated Dean Mathew, 6-4, 8-6, 6-4.
T. C. Bundy defeated W. B. Cragin, Jr., 4-6, 6-2, 6-3, 6-3.

IT'S UP TO PLAYERS.

New Haven, Conn., Aug. 22.—Walter Camp who is the only Yale football official here, was asked tonight what he thought of the new code. He said: "The rules certainly look complicated, but we can only wait to see how the officials and players solve them. I hope that the rules will at least work toward the lessening of certain of the injuries produced by the heavy mass plays of former years." "The rules were drafted by the sub-rules committee, consisting of Percy Haughton of Harvard, and Dr. Carl Williams of the University of Pennsylvania."

LAWSON AND CLARKE IN MATCH RACE TONIGHT

Each Has a Victory Over Taylor and Question of Better Man a Hot One.

BIKE RACES TONIGHT.
Iver Lawson vs. A. J. Clarke, best two in three, one-mile heats. \$500 purse. Divided \$300, \$200, \$100.
Three-quarter-mile, open, professional.
One-mile handicap, amateur.
Australian pursuit, amateur.

Tonight another big question that has been bothering the Salt Lake saucer fans will be settled who is the better man, Lawson or Clarke. The two, after each had administered a decisive defeat to Major Taylor, have been brought together at the same kind of a race as against Taylor—French style, best two in three, mile heats.

Despite the fact that Clarke defeated Lawson in a match race earlier in the season, hundreds of fans say that Lawson will win tonight. They base their claim on the improvement in form shown by the former champion, which is held to more than equalize the narrow margin that placed Clarke a winner in their first match. Confidence reigns in both camps, but a touch race is admitted by all.

Four other events, two for the professionals and two for the amateurs, make the card an exceptionally strong one.

CLAIM BIKE RECORD.
New York, Aug. 22.—The Century Road club of this city lays claim today to a new bicycle record as a result of a ride yesterday by Joe Noe of Jersey City, a member of the club. Noe pedaled to Philadelphia and return in 13 hours 36 minutes. The old record was 14 hours 27 minutes. Noe also holds the record between Albany and New York. He covered the distance in 10 hours 36 minutes.

ATHLETICS RUN-GETTERS.
New York, Aug. 22.—The baseball statisticians here have prepared tables showing that the Philadelphia Americans, besides leading for the pennant by a good margin, have more runs to their credit for the season than any other club in the two big leagues. Last week they scored forty-six runs in seven games, a greater total than any other club.

THE NEW PITCHER.
Denver Field Geyer, the heavyweight boxer, is the latest hope of the Salt Lake league club in the pitching line. Manager Donovan heard about Geyer, and yesterday gave him a tryout in the back lot. Geyer showed such speed that he will work with the team today.

Walker, field, around Oakland Geyer was considered "some" pitcher. Geyer is training for his Labor day bout at Eureka with Andy Malloy.

OPENING BALL
at the Odeon Thursday, August 25. Socials every Thursday and Saturday.

What's What in Sports All the Time

CHEYENNE THE ONE BRIGHT SPOT ON BOXING MAP

Cheyenne Aug. 22.—Never in the history of the Cheyenne boxing game have the fans had a chance to see such matches as will take place during the great celebration of Frontier days this week.

The first bout will be Wednesday night, between Muggsy Shoels, the Cheyenne boxer, and the Battling Dane. Shoels has met and defeated some of the best fighters in the country, and whenever he fights the spectators know that they will get a run for their money. He has defeated such men as Joe Seiger, Kid Texas, Kid Dalton, Kid Banks, Roney Roach, Monte Dale and Johnny Morrison.

The Battling Dane is one of the toughest boys in the country, having never suffered the knock-out wallop; he is a fighter of the Battling Nelson type and he never stops fighting until he has his opponent defeated. The Dane has been fighting around Colorado and Wyoming for the last year, and in that time has defeated Phil Kearney, Congo Kid, Kid Ryan of Chicago, Joe Seiger twice, and fought a draw with Muggsy Shoels.

Thursday night will bring together Eddie Lennon of Los Angeles and Young Erlenborn of this city. Lennon fought forty-one fights in California and only lost one. He met such men as Johnny Coulon, Patsy Branigan, Monte Atfel, Jimmy Carrol and Young McGovern. Lennon is one of the cleverest bantamweights in the country and he has a punch in either hand.

Young Erlenborn, the Denver boy, has just returned from the west, where he fought twenty-one fights, losing one to Pennuts Sinclair, Sinclair outwigh-

ing him by at least seven pounds. Lennon will be the first man that Erlenborn has met that he has not given away weight.

The third fight will take place Friday night between Johnny O'Keefe and Dick Gilbert. These two fighters met once before and O'Keefe was declared the winner after a hard fight. Since then Gilbert has been all over the country, meeting some of the best boys in his class. He recently knocked out Charlie Williams of Rawlins. O'Keefe has been on the cork for the last year and in that time he won fifteen straight fights and then fought Frank Mantel a twenty-round draw.

Shoels, Gilbert and O'Keefe are working hard in Cheyenne, while the Dane, Erlenborn and Lennon are working out every day at Jacob's training quarters on Curtis street. The boys will start today at 2 o'clock and all the Denver fight fans are invited by Jacobs to come to the training quarters and watch them.

DE ROSIER-KITTLE MATCH
Will Feature Motorcycle Card at the Motordrome Thursday—New Machine Here.

Jake De Rosier, riding his world's record-breaking machine, and Hubert Kittle, on his new yellow flyer, will meet in a match race, best two in three heats, as the feature event at the Motordrome Thursday night. Last Saturday these two speed stars met for the first time on machines of the same horsepower, and it was neck and neck for seven miles, when Kittle lost a tire.

Manager J. P. Gunn saw at a glance that a match race between this pair would be a feature worth going to see, and yesterday signed them up for such an event. Kittle has not had an even break since he came to Salt Lake on account of a low powered machine, but has received a flyer from the Philadelphia meet, which, it is claimed, is as fast as any machine in the world. This is the one he will use against De Rosier Thursday night. Manager Gunn has a program of eight events, in which the big four takes part, and says he will be able to produce the best races since the Motordrome opened.

SINCLAIR STARTS BOXING AT BEAN'S GYMNASIUM
Pennuts Sinclair, the local champion featherweight, started hard training yesterday for his twenty-round go on Labor day at Ogden with Jimmy Reagan. Sinclair is working out at Willard Bean's gymnasium, and the boxing fans are asked to go over and see him perform.

Yesterday he boxed two rounds with Art Gardner, Tommy Fitzgerald and Eddie Johnson, and showed good speed against them all.

While there is a lot of interest in the bout, betting has been light, the backers of each boy having come to no agreement on the odds. By reason of Reagan being a former world's bantamweight champion and a veteran of many ring battles, Sinclair's backers say there is no reason for them to give odds. Under the weights, 124 at 3 p. m. It looks like an 8 to 5 shot, with Sinclair the favorite.

ROCK SPRINGS COMING.
Frank Settle, the Salt Lake player now managing the Rock Springs, Wyoming, ball team, has written to practically all of the Utah teams asking for dates. Settle says he is going to bring his team to Utah and will have a line-up that will make them all stop.

Rock Springs and Diamondville are playing some real ball and the visit of one of the teams will be welcomed to the Utah teams.

PAYSON WINS AGAIN.
Payson, Aug. 22.—Payson again won from Park City today by the landslide score of 15 to 1. Harrison allowed but three scattered hits, while the Miners' pitchers were hit freely by the locals. The batteries: Payson, Harrison and Done; Park City, Elliott, Larsen and Ryan.

HUME HOLDING EVEN.
Reports from the Holy Cross hospital last night were to the effect that Jack Hume, the bicycle rider dangerously ill with concussion of the brain, had spent a good day, and was resting well during the night. The attending surgeons give him a chance to pull through.
